STATEMENT BY INVENTOR

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This communication is an attachment to a Petition to Correct Inventorship under 37 C.F.R. § 1.48(a), filed in connection with the above-identified application.

I, Kazuro KAGEYAMA of Saitama, Japan, am a coinventor of the above-identified application.

On April 6, 2004, a letter was dispatched from our attorney in Japan to Birch, Stewart, Kolasch & Birch, LLP, requesting that a Patent Application be filed wherein Mr. Keiichi Sato was identified as the sole inventor;

On April 8, 2004, a second letter was dispatched from our attorney in Japan to Birch, Stewart, Kolasch & Birch, LLP,

wherein it was stated that Mr. Kazuro Kageyama should be added as a co-inventor;

Unfortunately, the above-identified application was filed in the USPTO on April 15, 2004 wherein only Mr. Keiichi Sato was identified as the sole inventor. The letter dated April 8, 2004 was not associated with the file maintained by Birch, Stewart, Kolasch & Birch, LLP in order to permit the application to be filed without a Declaration and without an Assignment, but properly identifying Messrs. Sato and Kageyama as co-inventors.

The present Petition is filed to correct the inventorship. No mistake was made in view of the fact that the letter was not associated with the file maintained by Birch, Stewart, Kolasch & Birch, LLP in time to correct the inventorship prior to filing the application in the USPTO.

The inventorship error occurred without deceptive intention on my part.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the

United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
